Subject: Resolution Approving the Contract for Sale and Purchase of Designated Property Known as Parcel 11 in the Amount of \$4,743.00 Needed for the People's Transportation Plan (PTP) Project Entitled Roadway Improvements to SW 264 Street, from US 1 to SW 137 Avenue, and Authorizing the Use of Charter County Transportation Surtax Funds

RECOMMENDATION

It is recommended that the Board of County Commissioners (BCC) approve the attached resolution which approves the Contract for Sale and Purchase, attached hereto as Exhibit "1" and made a part hereof, accepting a counter offer of \$4,743.00 to acquire in fee simple, property known as Parcel 11, under the terms and conditions of the said contract, for right-of-way necessary for the PTP project entitled Roadway Improvements to SW 264 Street, from US 1 to SW 137 Avenue.

The BCC previously approved Resolution No. 987-10 on October 5, 2010 declaring the acquisition of the subject property to be a public necessity, and authorized the County Mayor or County Mayor's Designee and the County Attorney to take all appropriate actions to purchase this property, and to employ appraisers and expert witnesses in connection therewith.

Said Resolution is placed for Committee review pursuant to Miami-Dade County Code Section 29-124(f). This item may only be considered by the BCC if the Citizens' Independent Transportation Trust (CITT) has forwarded a recommendation to the BCC prior to the date scheduled for BCC consideration, or forty-five (45) days have elapsed since the filing with the Clerk of the Board of this item. If the CITT has not forwarded a recommendation and forty-five (45) days have not elapsed since the filing of this item, I will request a withdrawal of this item.

SCOPE

The impact of this project is Countywide; however it is located within Commission District 9.

FISCAL IMPACT/FUNDING SOURCE

Funding for the right-of-way acquisition, design, and construction of this project is from Charter County Transportation Surtax bond proceeds. This item will be presented to the Citizens' Independent Transportation Trust for review prior to final consideration by the BCC. Funding is programmed within the adopted FY 2011-2012 Capital Budget and the index code is CPEPTP609264. The index code for the right-of-way acquisition is subject to change; however, any need for additional funds would require further BCC approval.

The total cost of the project (inclusive of construction, design, and the right-of-way acquisition of all parcels) is estimated at \$5,250,000.00. The anticipated ongoing annual maintenance and operational cost will be approximately \$11,432.00 and \$5,907.00, respectively.

Honorable Chairman Joe A. Martinez
And Members, Board of County Commissioners
Page 2

The initial acquisition has been budgeted and no additional fiscal impacts are expected; however, the ultimate acquisition cost in the event of litigation would be subject to a future ruling by the court.

TRACK MONITOR

The Miami-Dade County Public Works and Waste Management Department (PWWM) is the entity overseeing this project and the responsible person for monitoring this acquisition is Mr. Raul A. Pino, Chief, Land Development / Right-of-Way Division.

BACKGROUND

PWWM has programmed the construction of SW 264 Street as part of the PTP project entitled Roadway Improvements to SW 264 Street, from US 1 (SR 5) to SW 137 Avenue. The proposed project consists of widening the existing roadway to a 2-lane divided highway with a raised landscaped median, bike lanes, on-street parking, sidewalks, curb and gutters, a continuous storm drainage system, signalization, pavement markings and signage, and roadway lighting.

The area to be acquired by Miami-Dade County (County) is necessary for the proposed roadway improvements, is legally described in "Exhibit A", and is illustrated on the parcel location map in "Exhibit B", both attached herewith.

The subject property was appraised for the County by an independent appraiser for a total value of \$3,850.00. An offer was extended to the owner, First St. John's Missionary Baptist Church of Naranja, Inc., for the appraised amount which was subsequently not accepted. After further negotiations, a counteroffer was received for the amount of \$4,743.00. This amount represents a land unit value of \$3.82/sq. ft. which is within the range (\$2.20/sq. ft. to \$4.01/sq. ft.) of comparables sales used by the appraiser hired by the County. In an effort to avoid condemnation and expedite this acquisition, PWWM recommends accepting the counteroffer, subject to BCC approval.
